MILES BYRON are delighted to offer 'For Sale' this beautifully presented and extended, Victorian built, terraced family home. Located along one of Old Towns most desirable 'Tree Lined' roads. This property provides exceptional access to amenities, local reputable schooling and the Town Gardens can also be found within a short walk. This very attractive and substantial in size property offers three separate floors which boasts impressive living accommodation which in turn is perfect for those with a large family or simply those who enjoy and desire the larger property to host and entertain. You will find that the current owners have greatly improved, enhanced and maintained the property over the years of which has been sympathetically modernised but still retains lots of its original charm and character throughout with some period features 'on show'. This outstanding property benefits from an extended 'open plan' kitchen/dining/family room which measures approximately 26' in length. In addition, there are also large, bi-folding doors which lead to a well tended and fully enclosed south westerly facing rear garden with the addition and benefit of a large garage/workshop which measures c.21' x 13' which benefits from having an electric powered & remote controlled roller door. There is also an additional hard-standing area which can be found directly in front of the garage which offers an additional off street parking space. Other attributes to this amazing property include: a first floor, modern 4-piece bathroom suite with the addition to having a downstairs cloakroom/w.c., separate

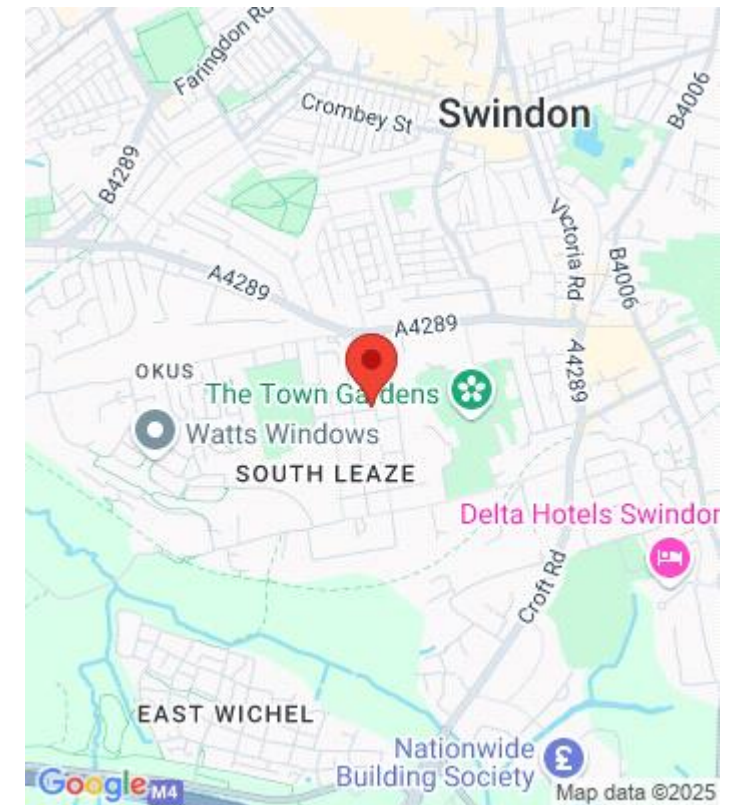

utility room, two spacious reception rooms including a living room and snug room and a modern shower room to the second floor. There is also the great benefit of having roof solar panels ( which produces an annual income/reduction in your electric bill). To fully appreciate the 'homely feel' and positive and welcoming vibes, we would highly recommend contacting our Swindon, Old Town office to arrange your viewing as soon as possible. Thank you.
